

CORRIGENDUM NO 2

Please note the following two amendments to original RFP:

Quality cum cost based evaluation :

Final score for an applicant will be weighted average of technical and financial bids, where the technical and financial proposals will be assigned a weight of 30 % and 70 % respectively.

Oxygen Cylinders:

Fabricator need not supply any oxygen cylinders.

All other terms and conditions of original RFP and first corrigendum including date of submission remain the same.

By Order and approval of Procurement Committee
