

MESSAGE FROM CEO

Dear Friends,

It fills me with pride to share with you the new avatar of the company's Newsletter. In its digital form, the Newsletter is aimed at reaching you faster and keeping you up to speed with the latest happenings in the company. The issue also carries some inspiring stories that have made us proud in the month gone by. We applaud the commendable work being done by our Ambulance Crew on the field everyday and praise their spirit of saving lives.

Each and every individual contributes towards our achievements, and may it be the back end team at the call centre or the administrative staff operating out of the Head Office or Regional Offices, we thank you for your commitment, dedication and support towards the growth of our organisation, and I hope that together, we can take it to new heights in the year ahead.

Do enjoy this month's newsletter and stay tuned.

Regards
Naresh Jain
